COLORING BOOK

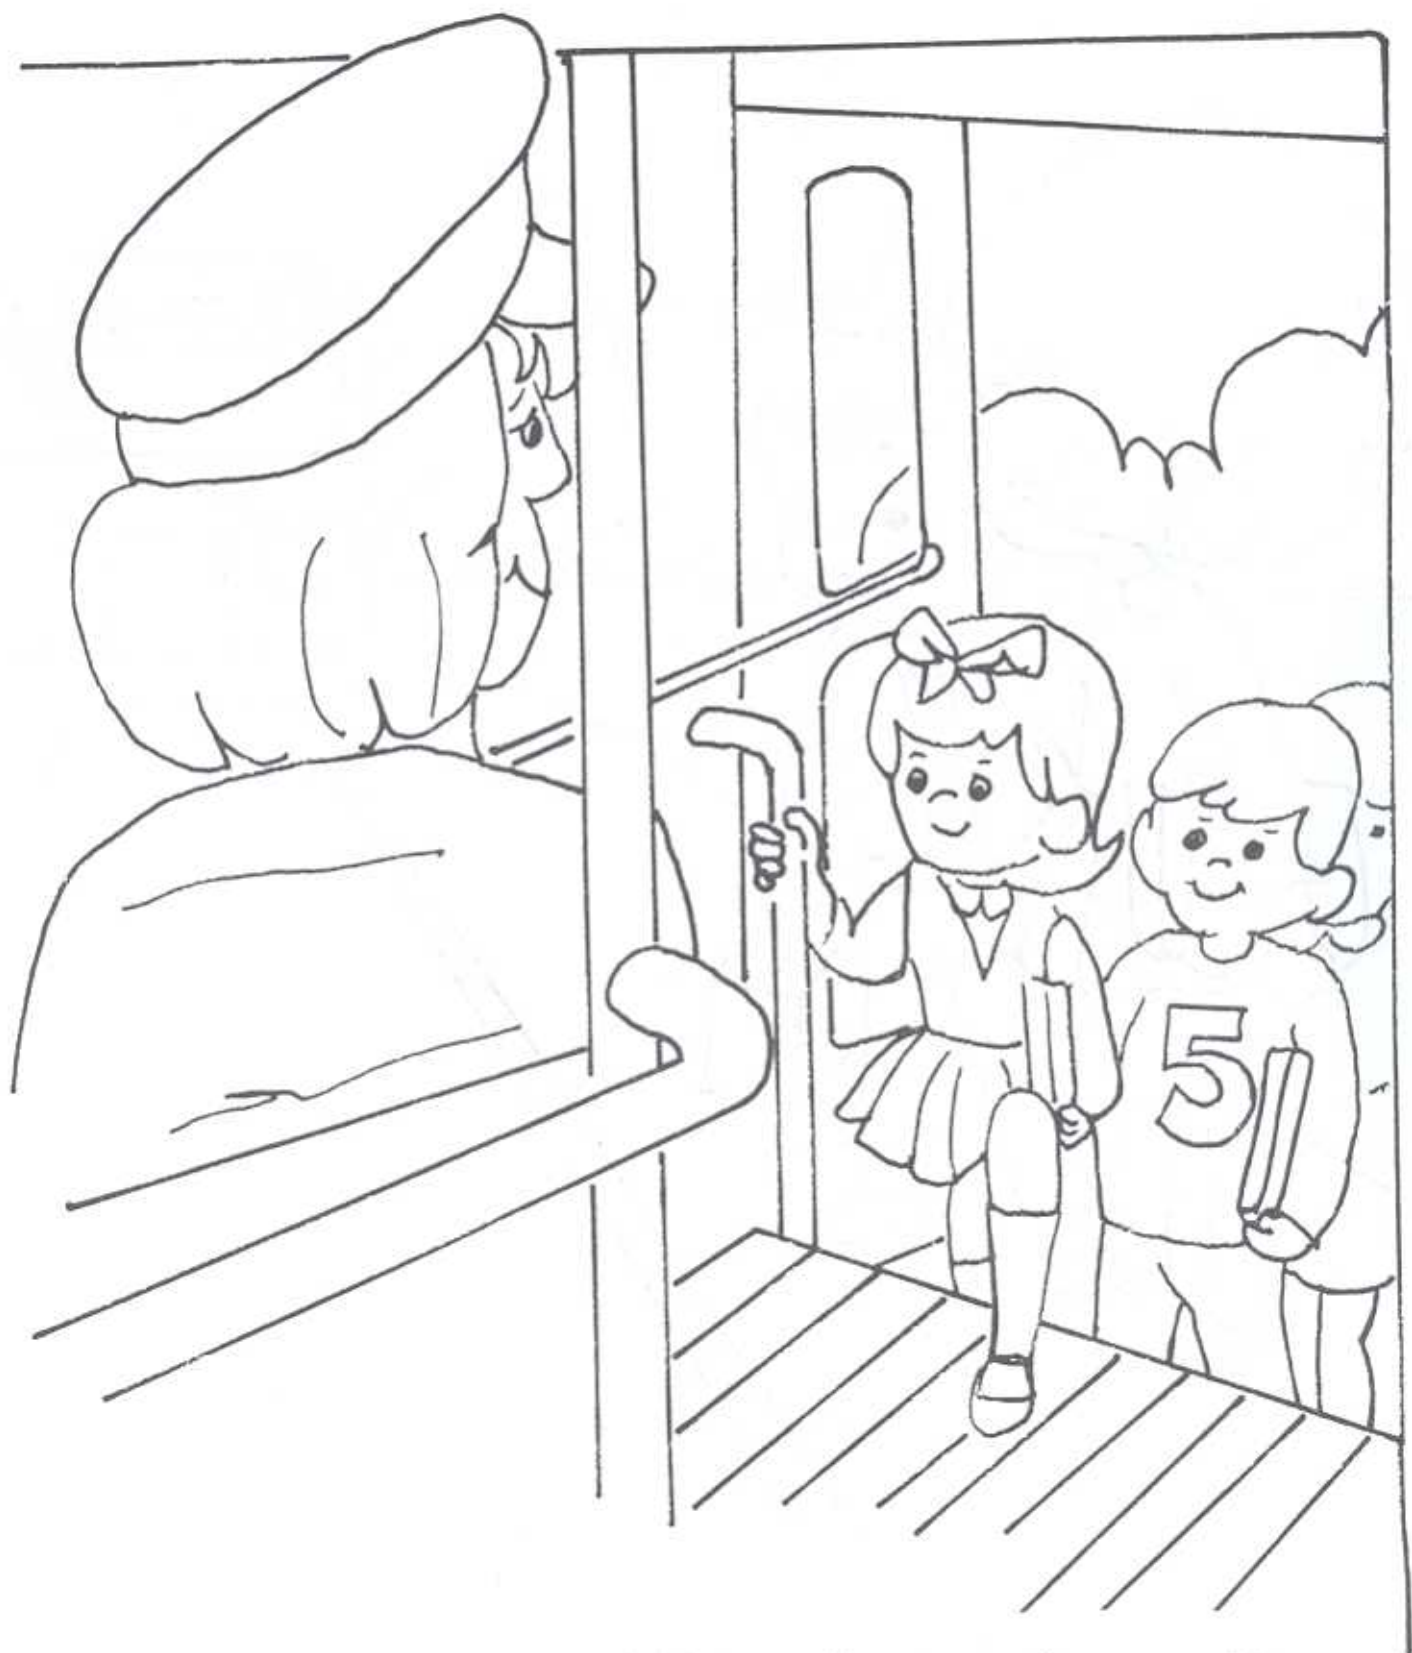

GEORGIA  
STATE  
PATROL

I PLEDGE to get to my school bus stop on time.

I PLEDGE to wait in a safe place on the sidewalk  
or shoulder until the bus comes to a complete stop.

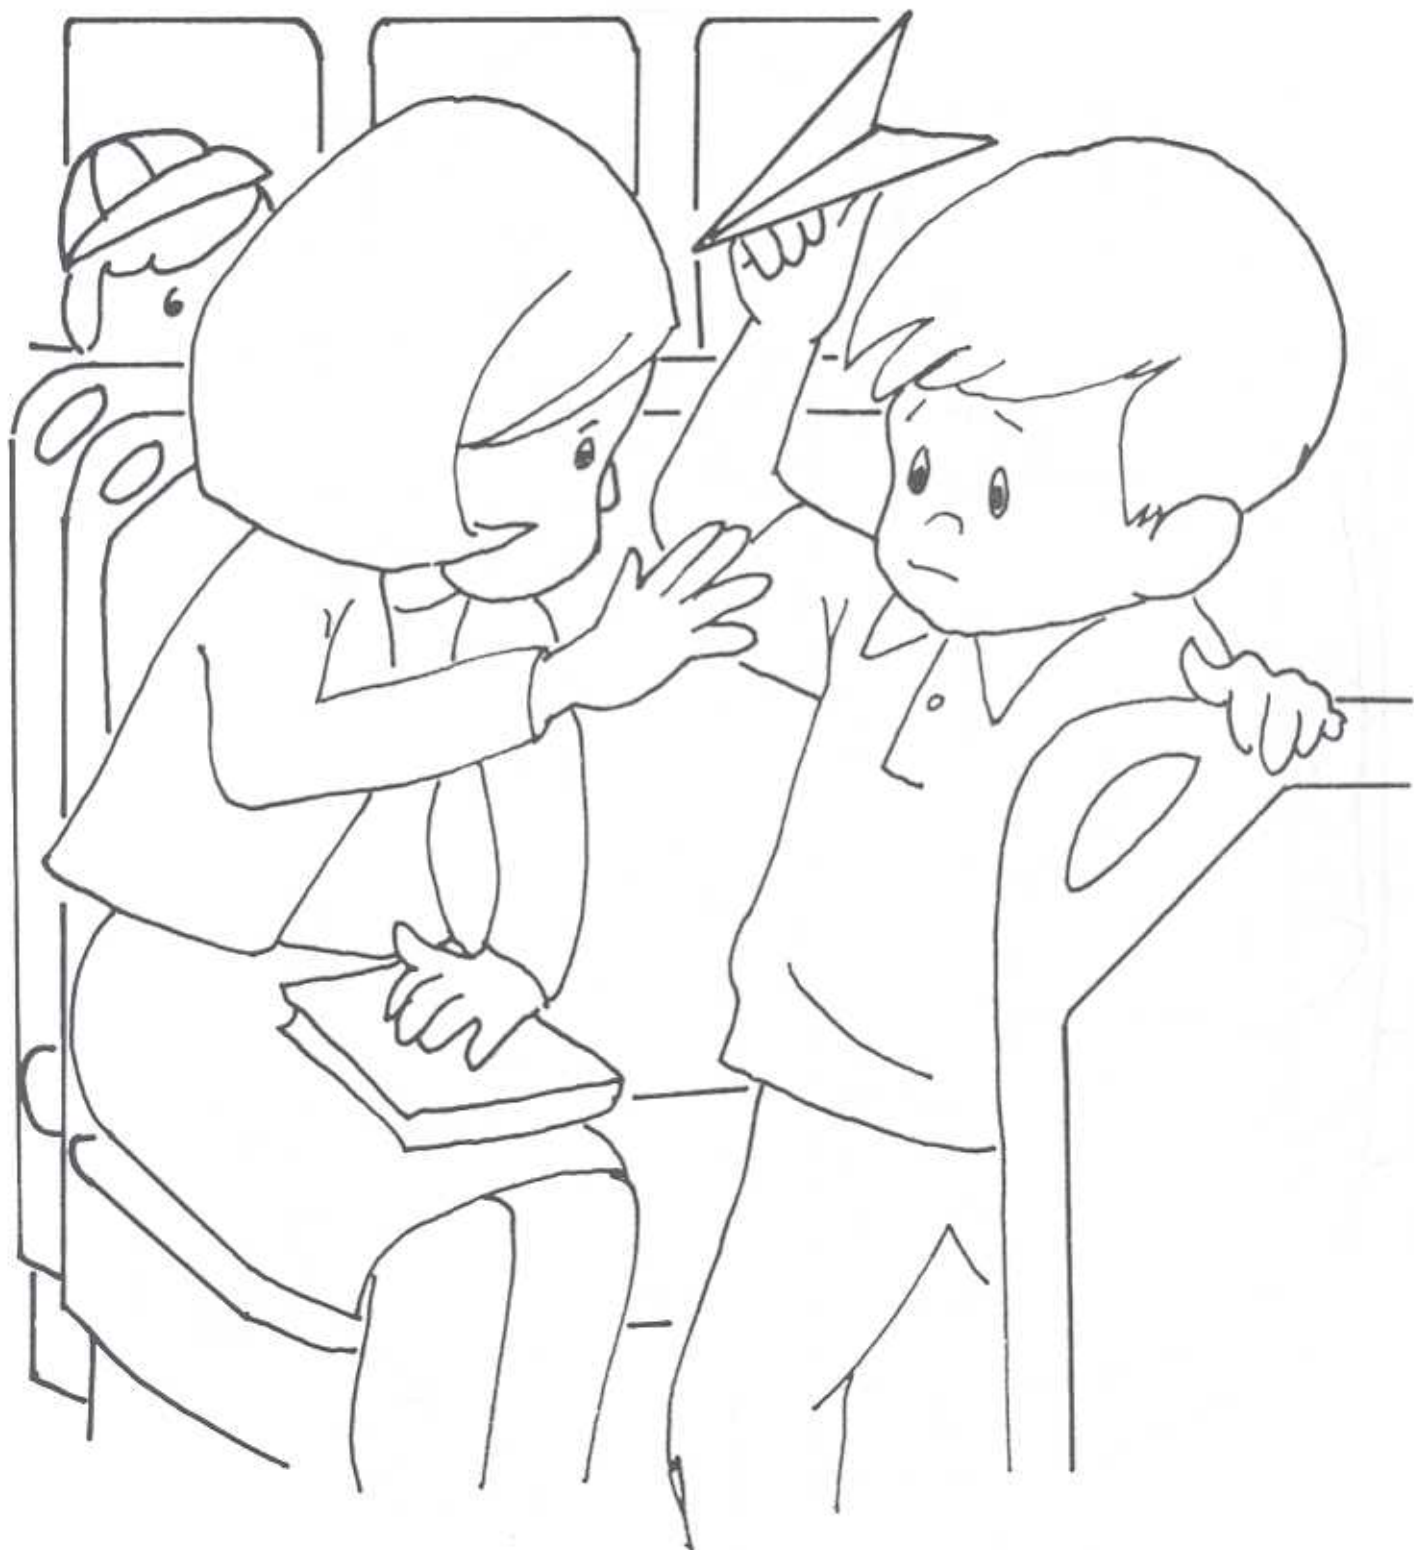

I PLEDGE to get on the bus quickly but without crowding or pushing.

I PLEDGE to sit down quickly.

If I must stand up, I will hold on tightly.

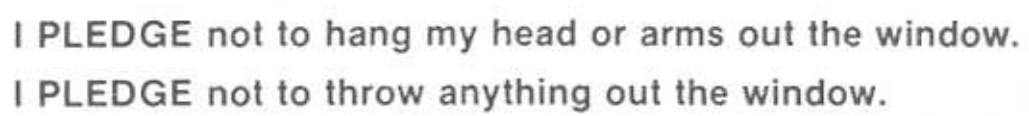

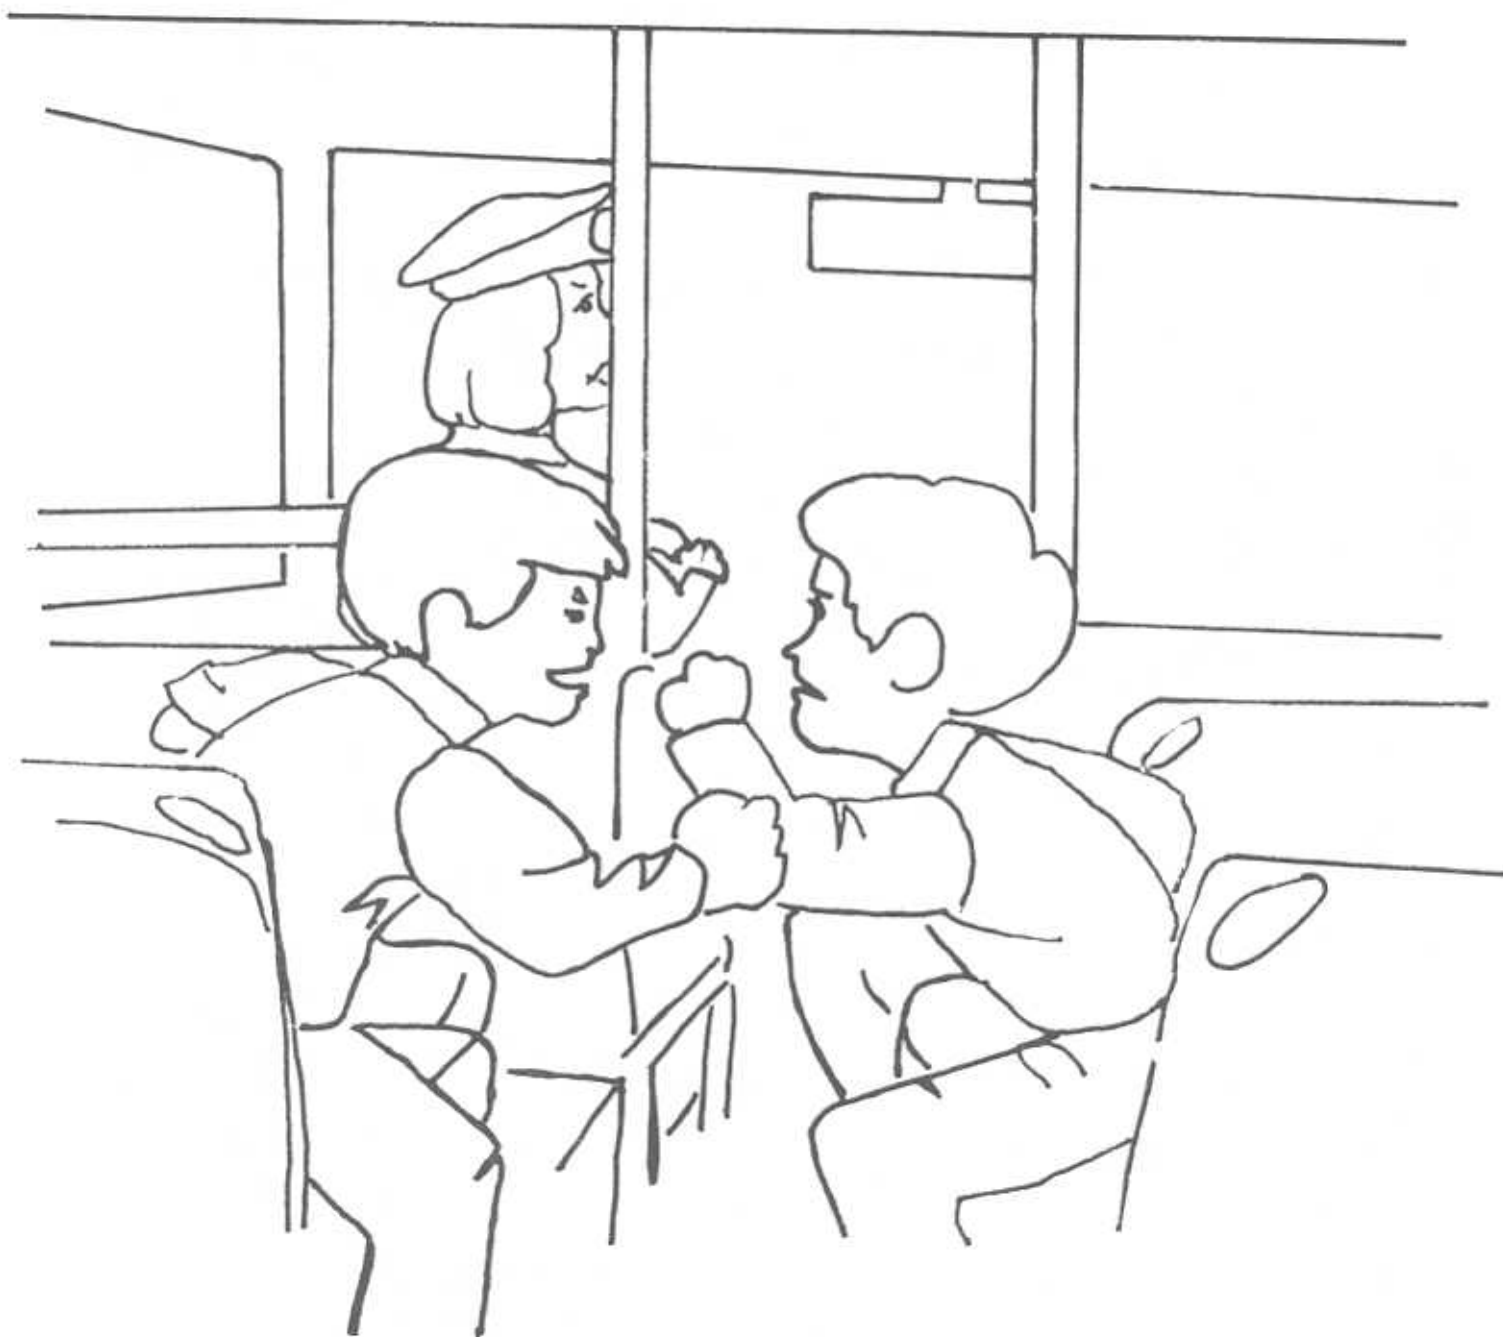

I PLEDGE not to throw things inside the bus.

I PLEDGE to always ask the bus driver's permission before I open a window.

I PLEDGE not to throw anything out the window.

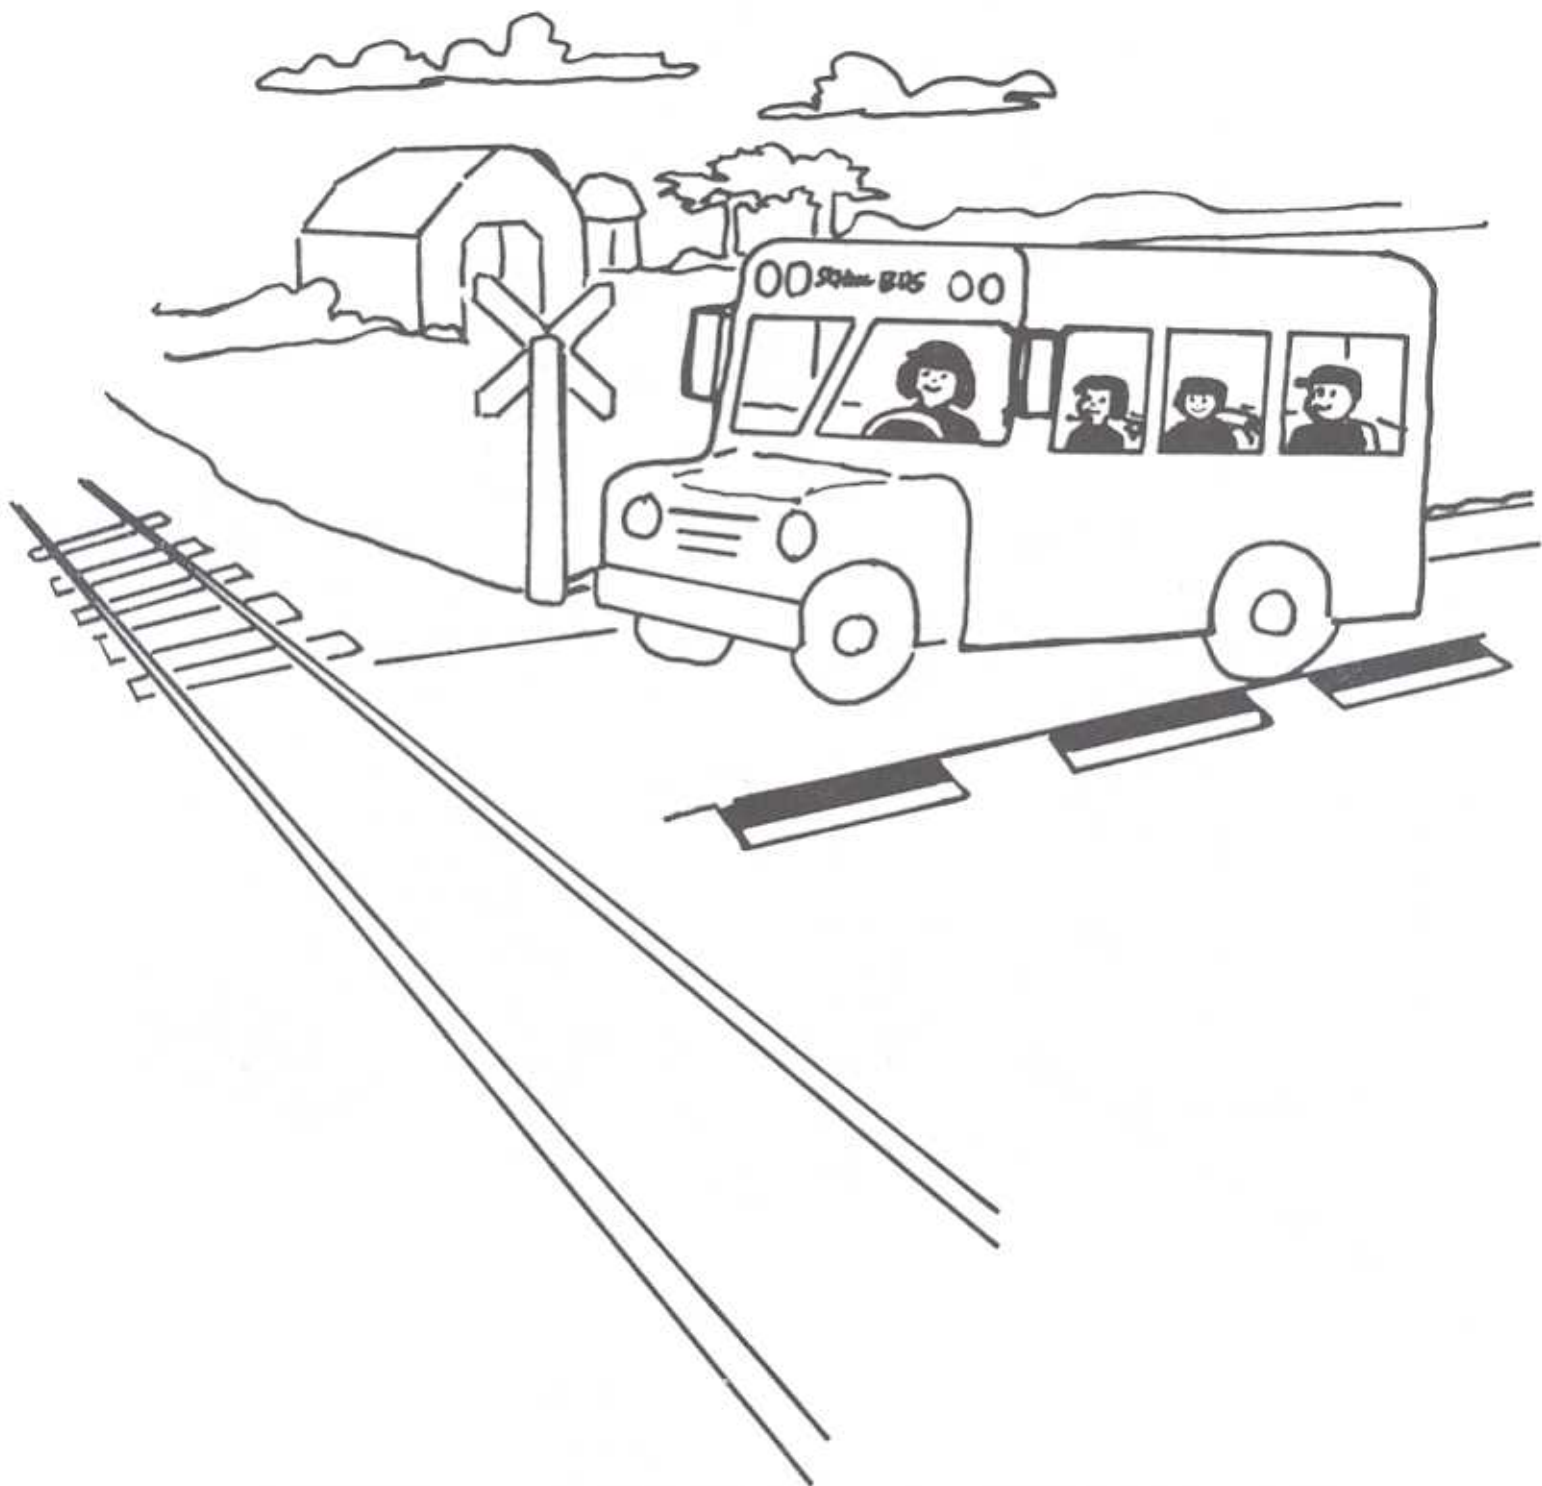

**I PLEDGE** not to fight, argue, or do anything that would distract my bus driver.

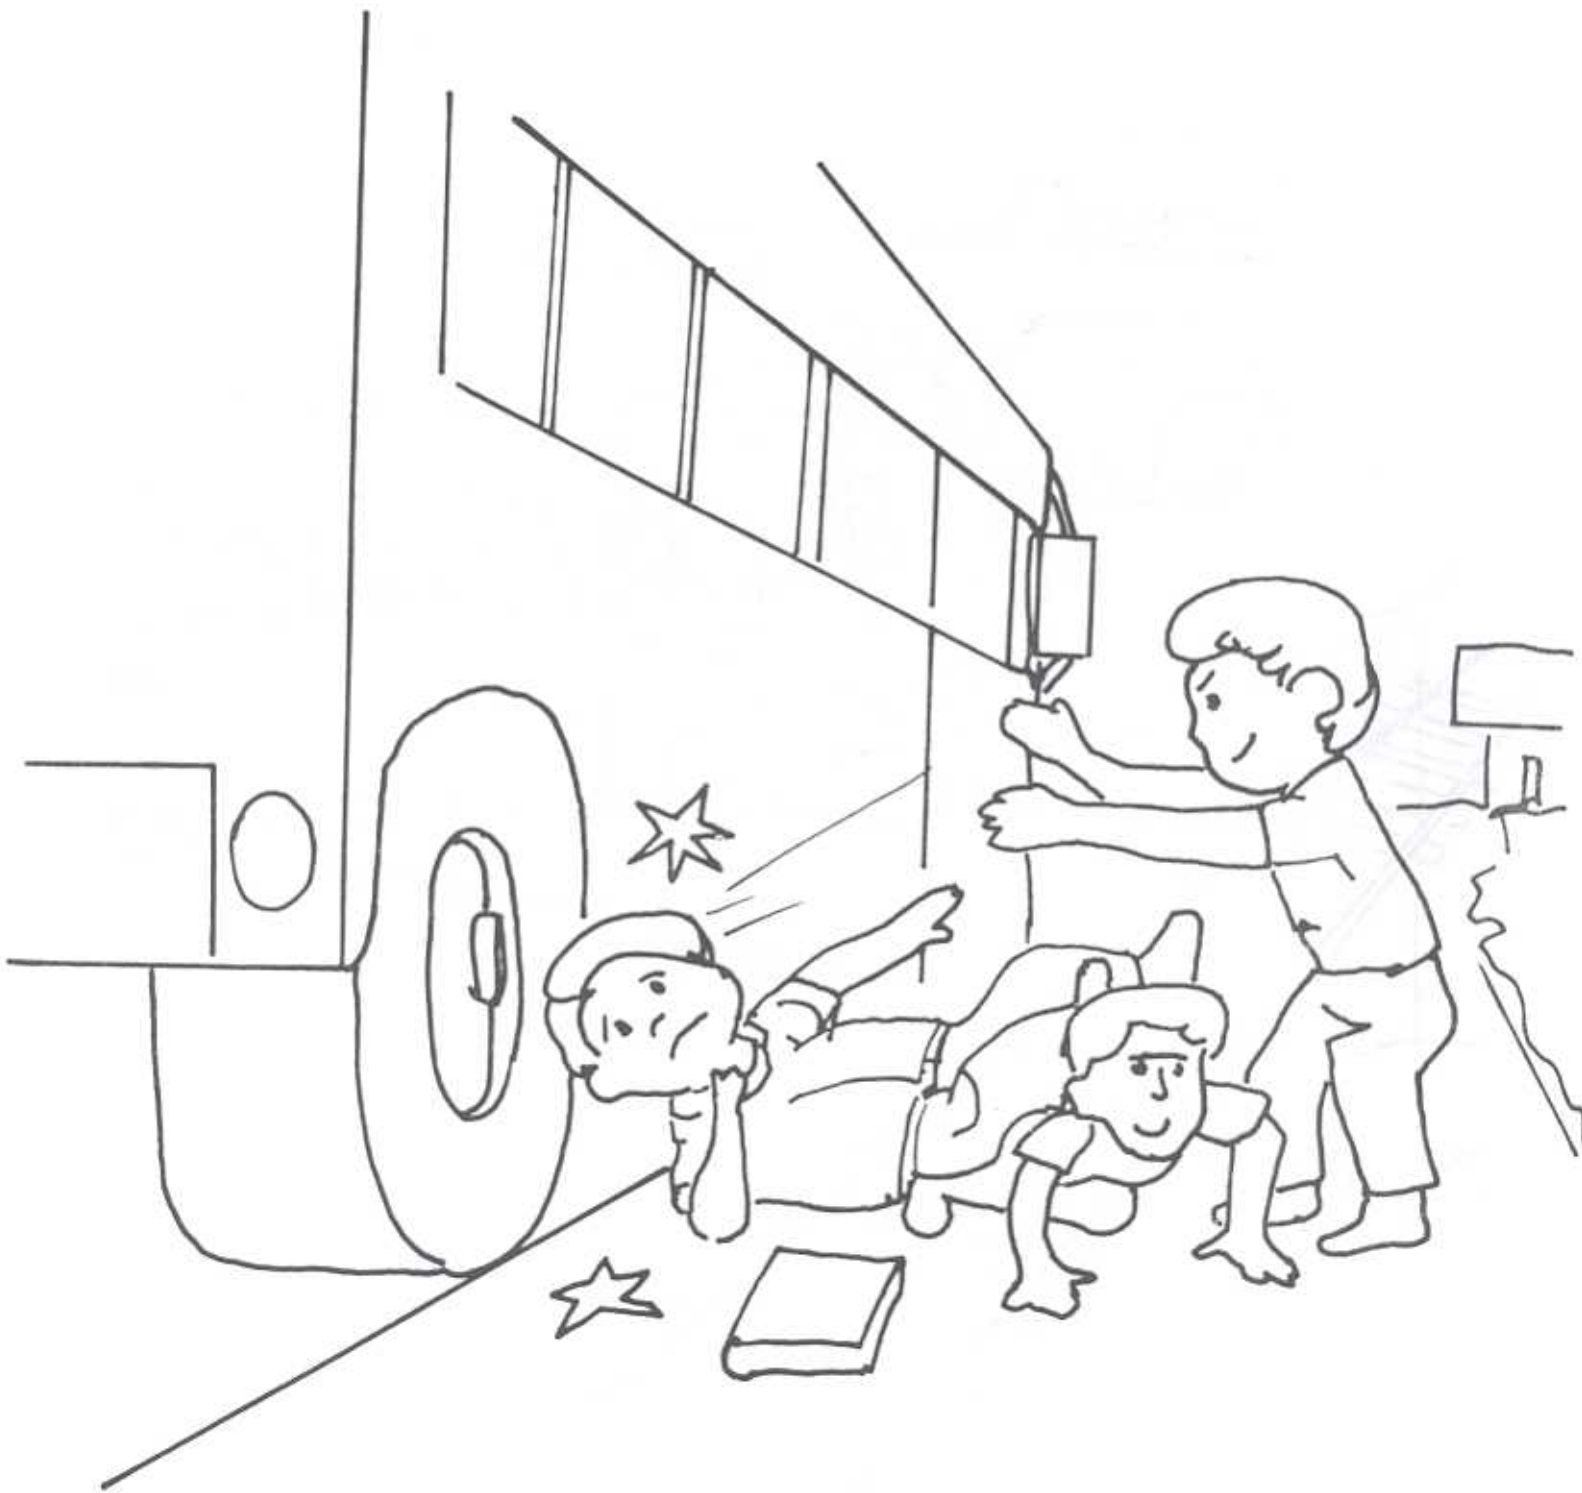

I PLEDGE to be quiet at all times so my bus driver can hear.  
If I talk, I'll talk softly and only to the people sitting next to me.  
I PLEDGE not to scream, yell, holler or even talk loud on my bus.

I PLEDGE to observe **ABSOLUTE SILENCE** at all railroad crossings.  
I know this is the most dangerous place my bus will ever be.

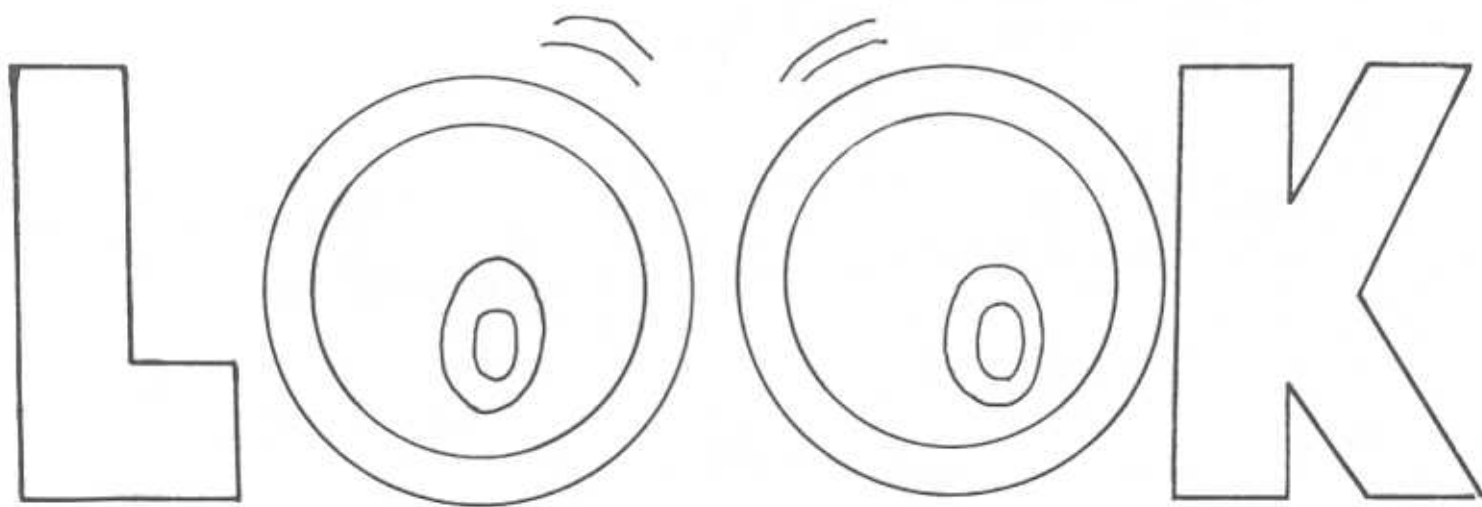

I PLEDGE not to get near the side of the bus, the back of the bus, or even the front of the bus. When I leave my bus, I will walk away from it.

**I PLEDGE to NOT make these mistakes:**

- 1. Talk while crossing**
- 2. Run while crossing**
- 3. Get too close to the front of the bus**
- 4. Fail to STOP and LOOK for cars**

I PLEDGE to STOP and to

EVERYTIME I CROSS THE STREET TO MY SCHOOL BUS OR CROSS FROM  
MY SCHOOL BUS. I KNOW THIS IS MY MOST IMPORTANT SAFETY RULE.
